

**Remarks**

Claims 10-11 were rejected as unpatentable over PU et al. 2001/0056325 in view of MOTOMURA EP 1 209 863 A2. The claims have been amended to correspond to the claims allowed in the corresponding Japanese application. Reconsideration and withdrawal of the rejection are respectfully requested.

Neither reference discloses the means for determining a country mode conforming to a wireless communication system of a country corresponding to the time zone location of the portable communication device, and the means for displaying candidate countries on a display of the portable communication device for selection of one of the candidate countries as a present-location country when plural countries are present in the time zone location of the portable communication device.

In view of the present amendment and the foregoing remarks, it is believed that the present application has been placed in condition for allowance. Reconsideration and allowance are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment

to Deposit Account No. 25-0120 for any additional fees required  
under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
